 **Address:** 37 Durban Rd, Bellville, Cape Town, 7530

Professional summary

Detail- oriented and analytical professional with junior experience in conducting statistical analysis, developing models, and presenting findings. I am skilled in data analysis, hypothesis testing, and programming, with a strong background in statistics and mathematics from my diploma in Mathematical Sciences at Cape Peninsula University of Technology. I am Proficient in Python, R, Microsoft office, and SQL. I am seeking a role to leverage my strong quantitative and problem-solving skills.

Experience

Junior Data Analyst | Statistics South Africa | Cape Town, South Africa

Project 2: Quantifying the Informal Sector's Impact on South Africa Employment and GDP 07/2024- 12/2024

- Cleaned and transform raw data for data analysis using statistical software.
- Conduct statistical analysis and generate statistical reports.
- Develop and implement statistical models and methodologies.
- Creating data visualizations, trend and reports finding to statistician.
- Prepare research findings and presentation to senior management for decision making.

Project 1: Community Detection in Social Media 03/2024-06/2024

- Use network analysis techniques to identify and analyze distinct user communities.
- Applied network analysis and community detection algorithms (Louvain, Girvan-Newman) using Python.
- Identified and visualized distinct user communities, providing insights for user segmentation.
- Utilized key libraries including NetworkX and Pandas to process and analyze social network data.
- The goal was to uncover hidden social structures and understand the target market of the business.

Volunteer Peer Helper | Cape Peninsula University of Technology | Cape Town, South Africa

Department Student Counselling 02/2024 – 09/2025

- Provide students with emotional and academic support, promote mental wellness.
- Facilitate workshops and awareness campaigns on stress management, exams preparation.
- Referred students to student counsellors when necessary, maintaining strict confidentiality.
- Demonstrated empathy, leadership, and communication skills in multicultural university environments.

Education

Diploma in Mathematica Sciences

Cape Peninsula University of Technology | Cape Town, South Africa 2021-2024

Electrical Engineering (N1-N3)

Gert Sibanda College | Mpumalanga, South Africa 2019-2020

Skills

Technical Skills

Programming Language (Python , R, MATLAB)

Statistical Software (SAS)

Microsoft Office(Excel,Word, Powerpoint)

Data Management (SQL Database)

Numerical Methods (Simulation)

Statistical Analysis & Modelling

Data Visualization (Matplotlib, ggplot2)

Soft Skills

Problem Solving

Communication (C2 Proficient)

Time Management

Teamwork

Attention to Detail

Adaptability

Critical Thinking

Certifications

- | | |
|--|------------------|
| • Academic excellence award | 10/2023 -10/2024 |
| • Peer Helper Leadership skill | 07/2024 |
| • Peer Helper Certificate of Recognition | 09/2024 |
